

CLINICAL ONCOLOGY

OUR SPECIALIST IN CLINICAL ONCOLOGY

The Clinical Oncology Department provides comprehensive, non-surgical treatment for cancer patients, encompassing radiotherapy, chemotherapy, palliative care, and psychological support, prioritizing patient-centered care.

Our clinical oncologists collaborate with surgeons, pathologists, and other specialists to offer complete diagnostic and treatment services. Our in-house team includes Dr. Au Kwok-hung, Director of Clinical Oncology, and Dr. Chow Kwok-kwan, Clinical Oncology Consultant, with visiting doctors referring cases for radiotherapy at our hospital.
